

Graven

Lav perleplader efter de næste siders skabeloner.

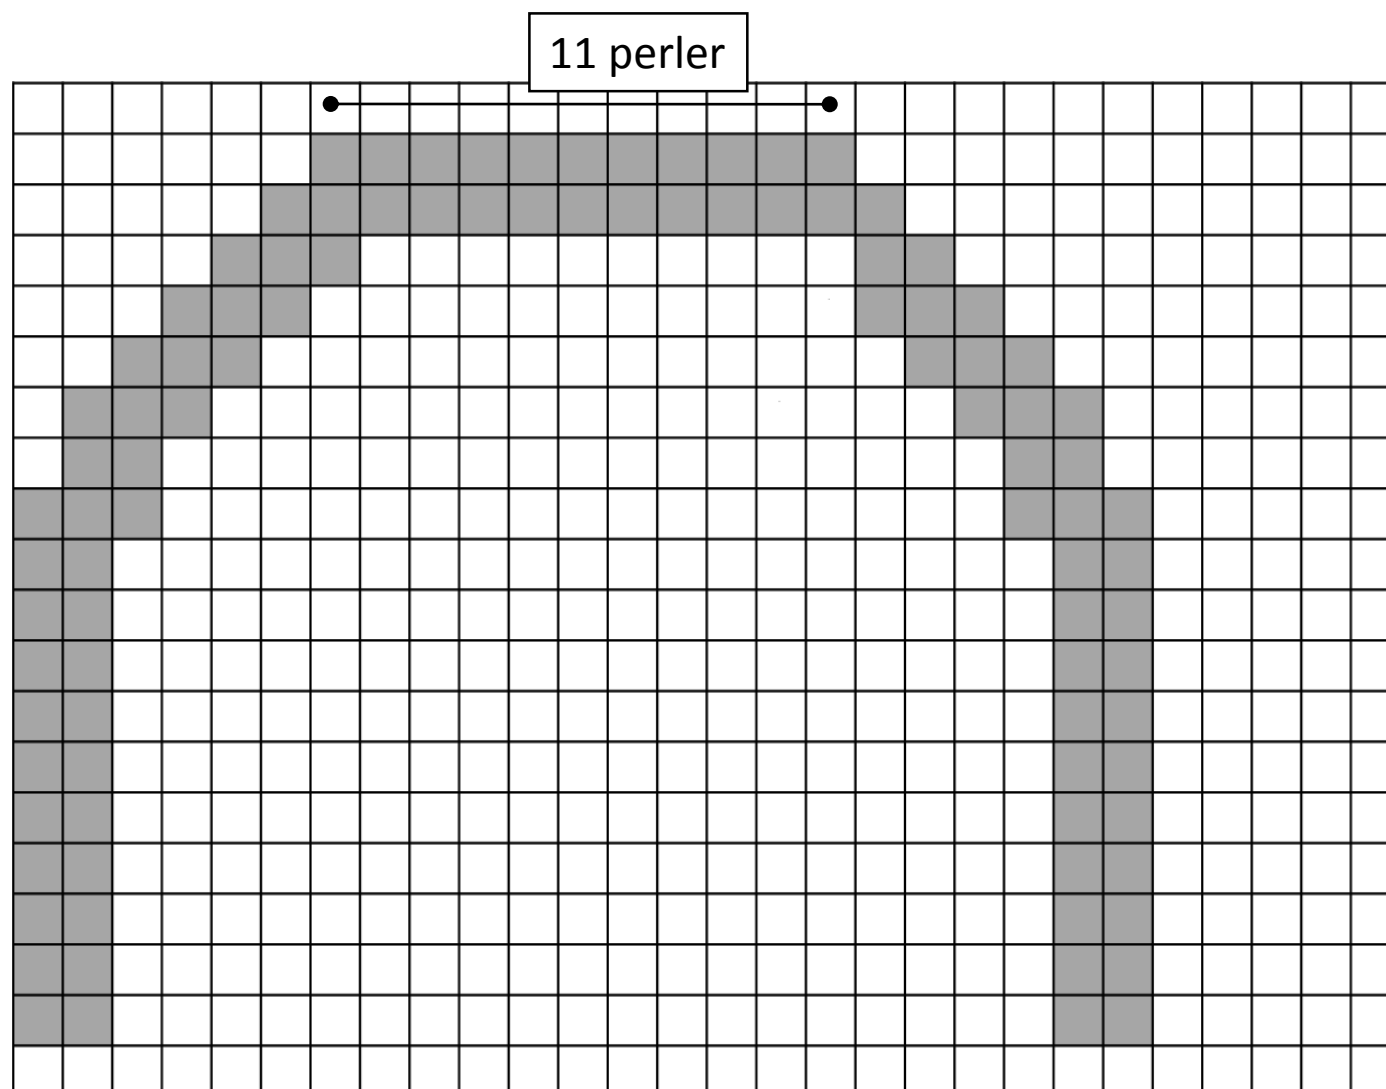

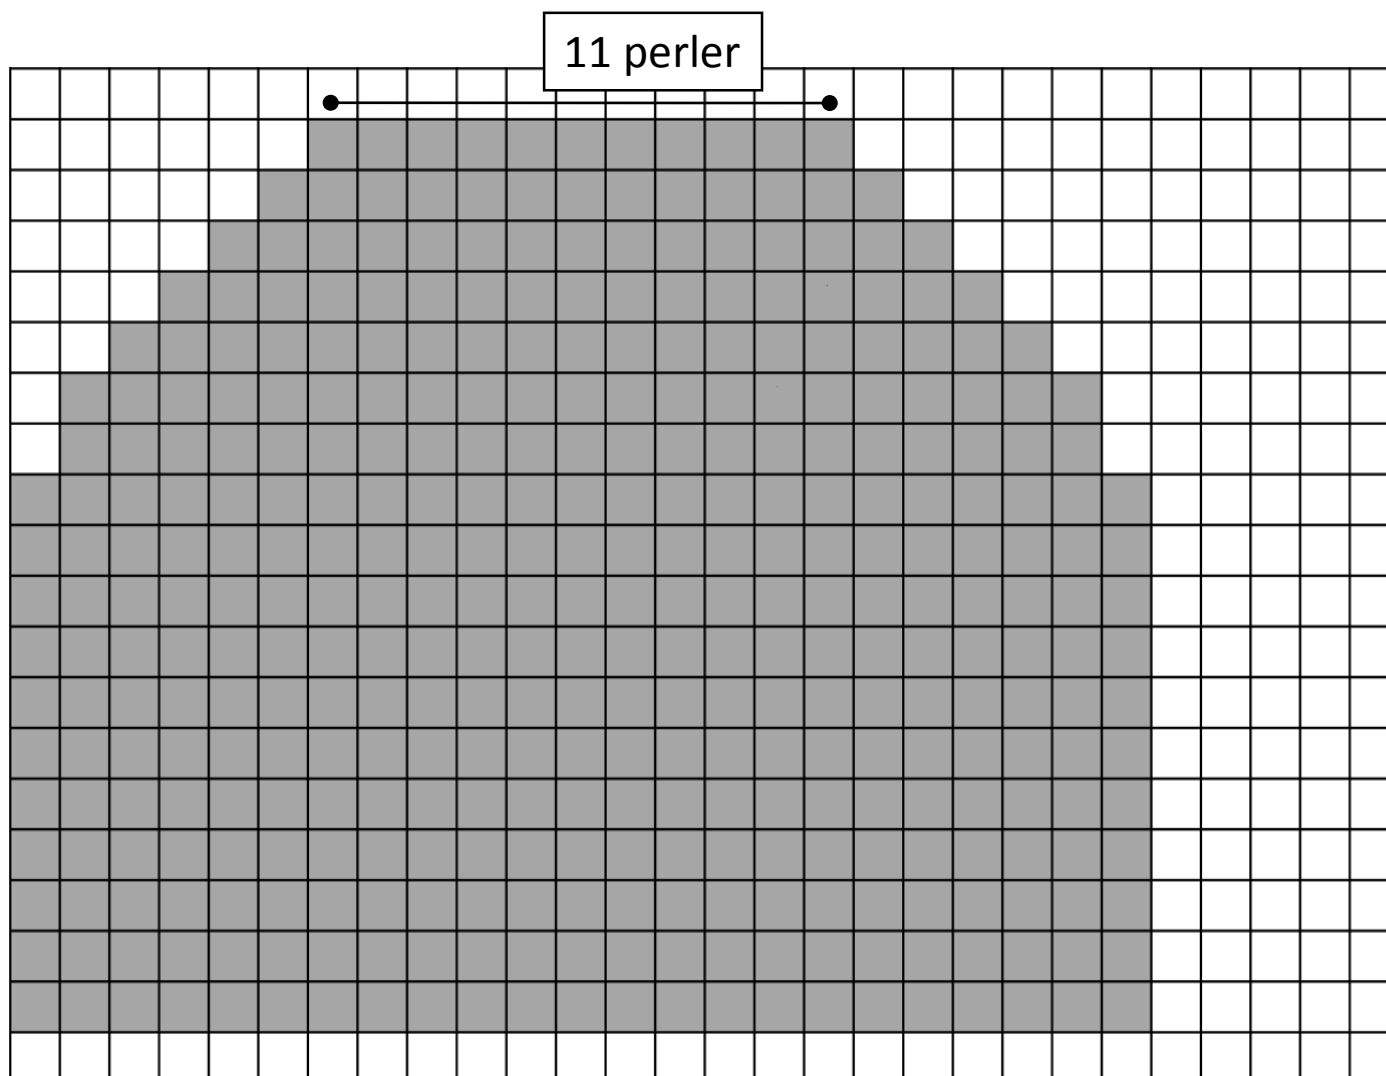

Den øverste række med perler bliver for mindre for hver kant.

Se markeringen på kanterne. Så til sidst er der en forside, en bagside og 8 kanter.

Lim dem til sidst gravens forside, kanterne og bagside sammen.

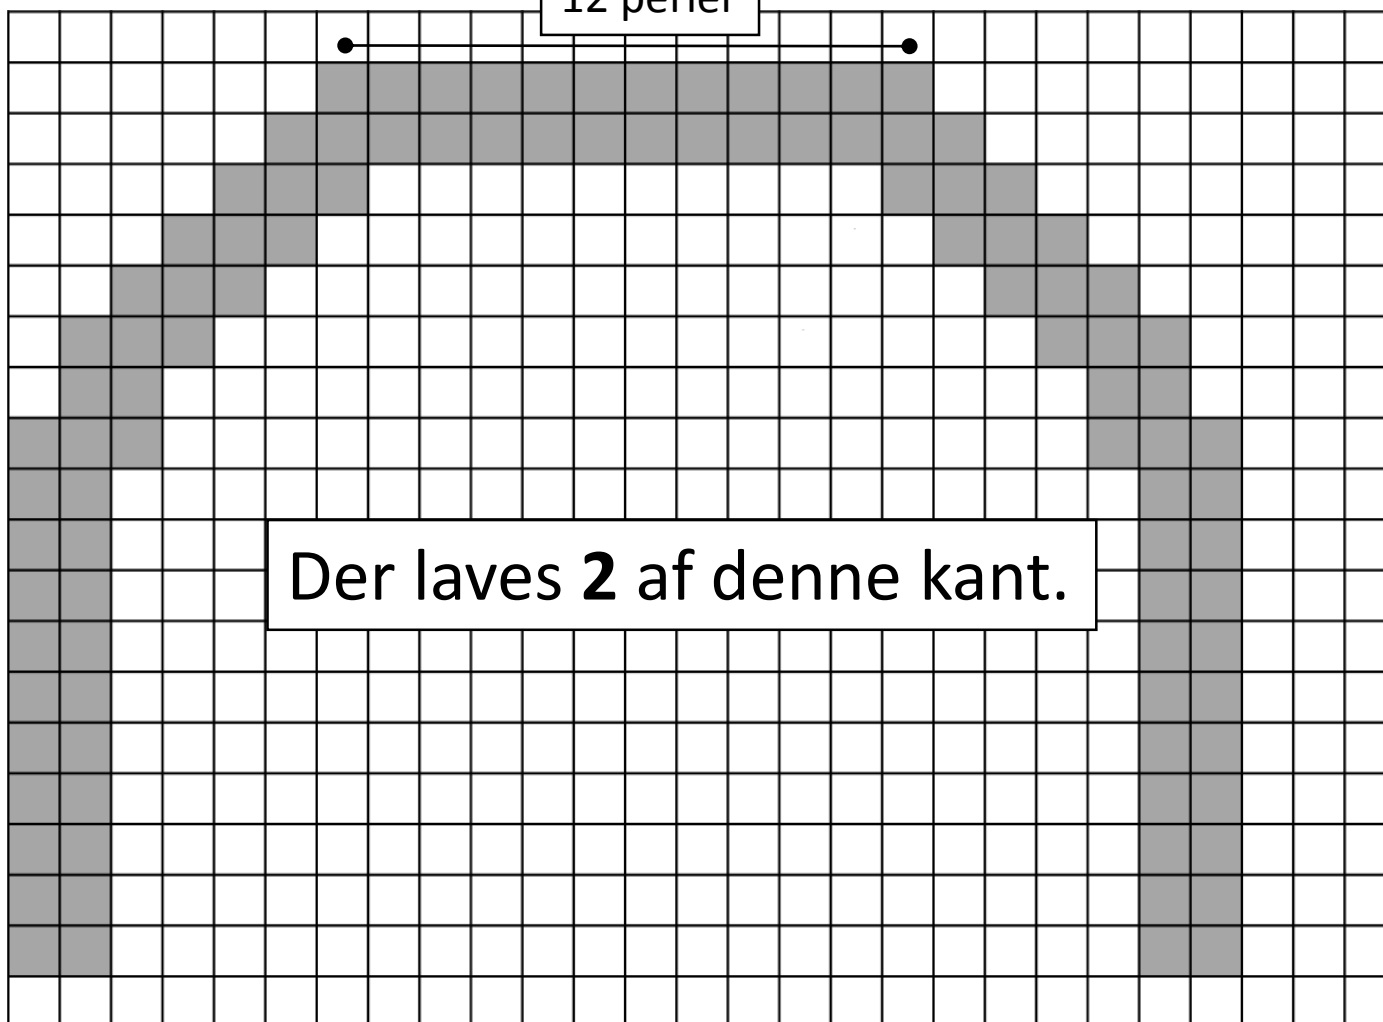

Der laves **1** af gravens bagside – og **1** af bagsidens kant.
