

FLIP-FLAPPER

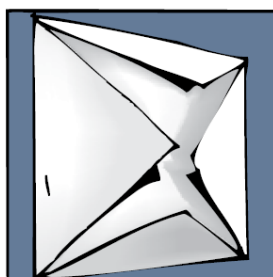

Sådan foldes en flip-flapper

1. Lav et kvadrat af et A4-papir.

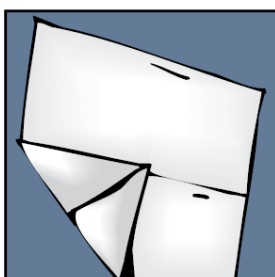

2. Fold 'hjørnet ind mod midten.

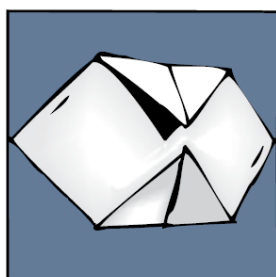

3. Alle hjørnerne er foldet ind.

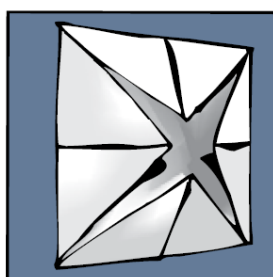

4. Vend papiret om.

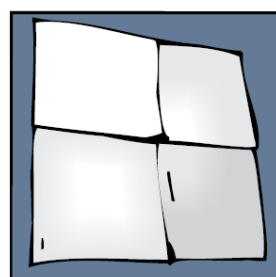

5. Fold igen 'hjørnerne ind mod midten. Her er det første 'hjørne' foldet ind.

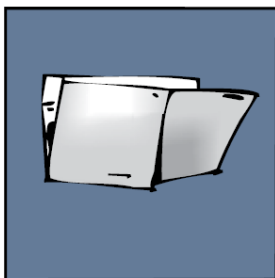

6. Her er to hjørner foldet ind.

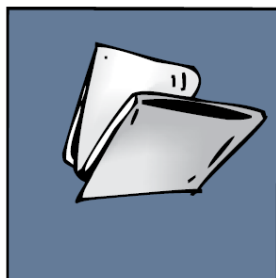

7. Her er alle fire hjørner foldet ind.

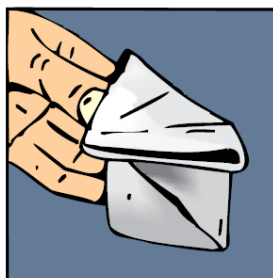

8. Når papiret vendes, ser foldningen sådan ud.

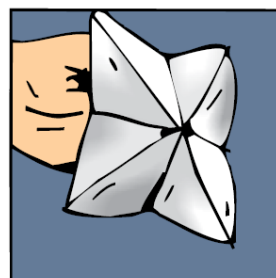

9. Lav en hjælpefold på midten.

10. Lav en hjælpefold mere på den anden led, så der er lavet et lille kvadrat. Dette er ikke nødvendigt, men gør det lettere at folde flip-flapperen ud.

11. Stik fingrene ind i hullerne, der er under de frie hjørner.

12. Fold forsigtigt flip-flapperen ud.
