I kan lave forskellige scener og fortælle juleevangeliet med dem.
Her er et udvalg, I kan vælge:

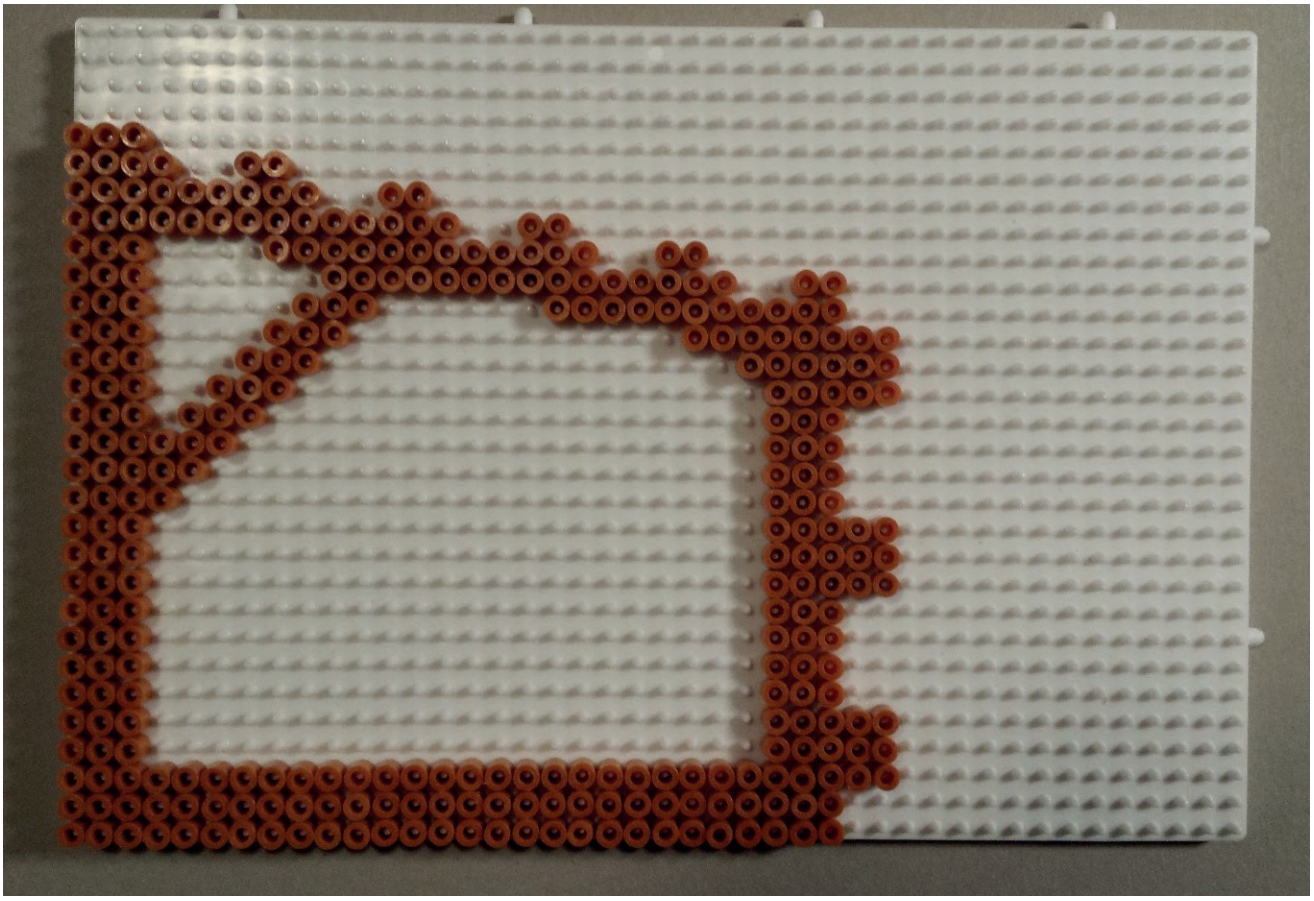

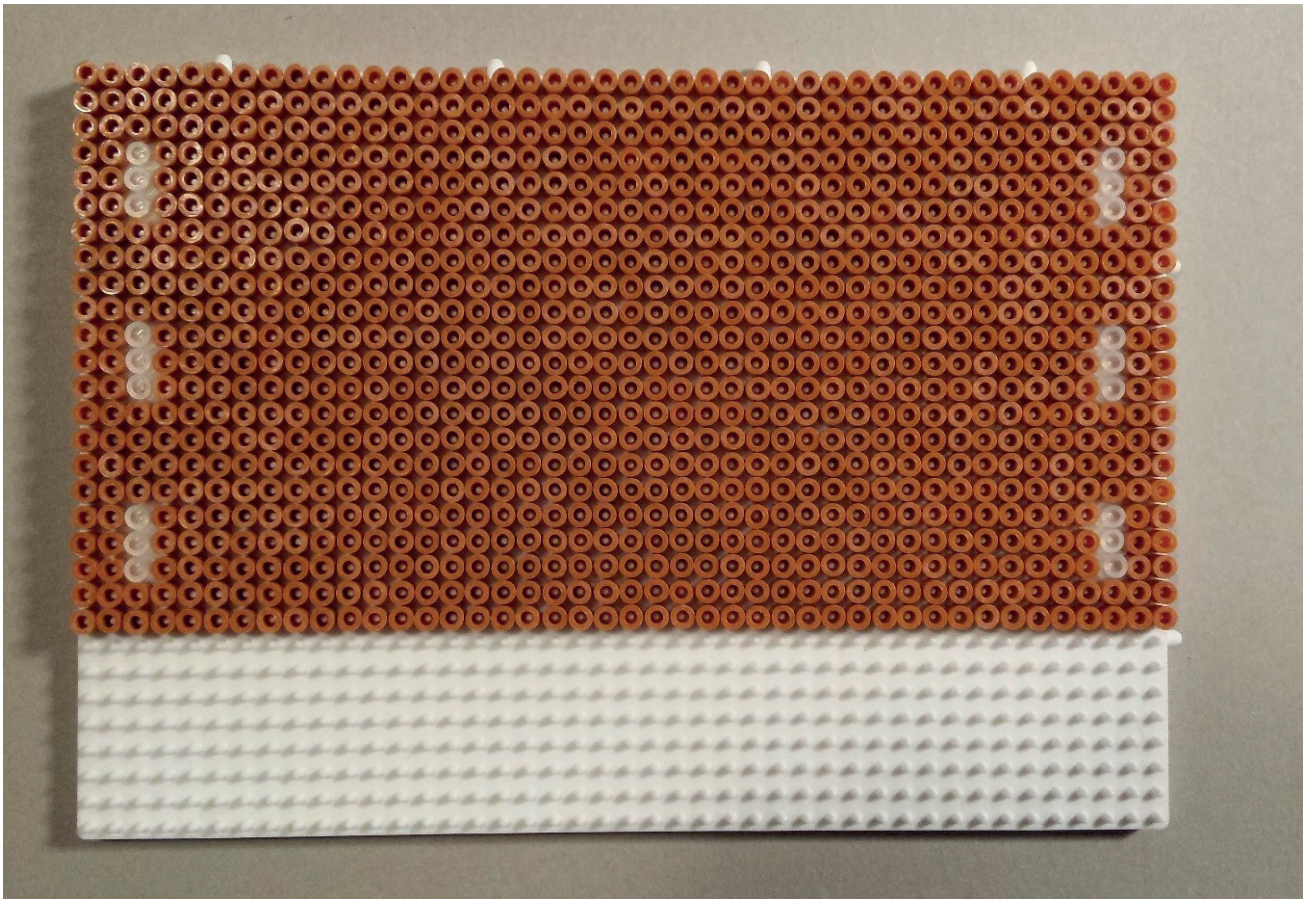

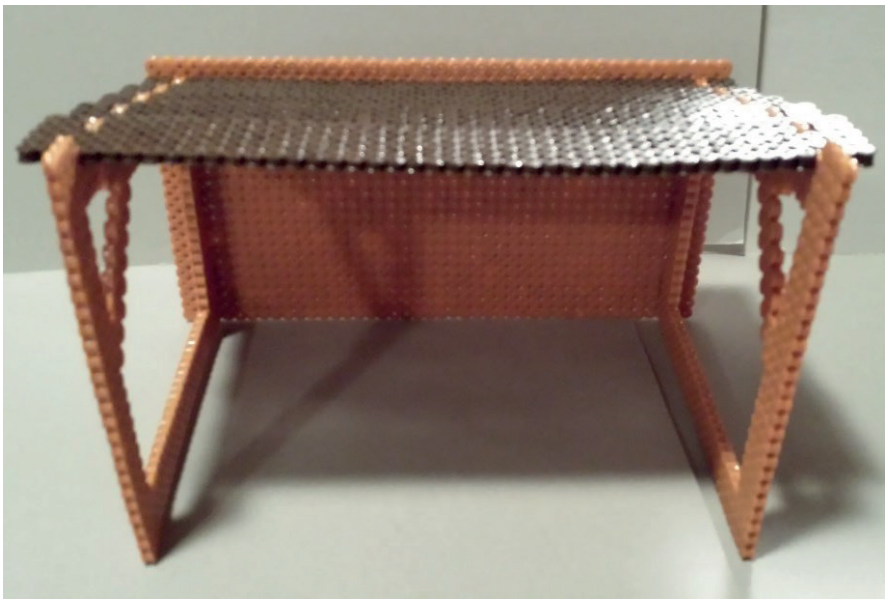

Lav to staldsider ud af en rektangel perleplade.

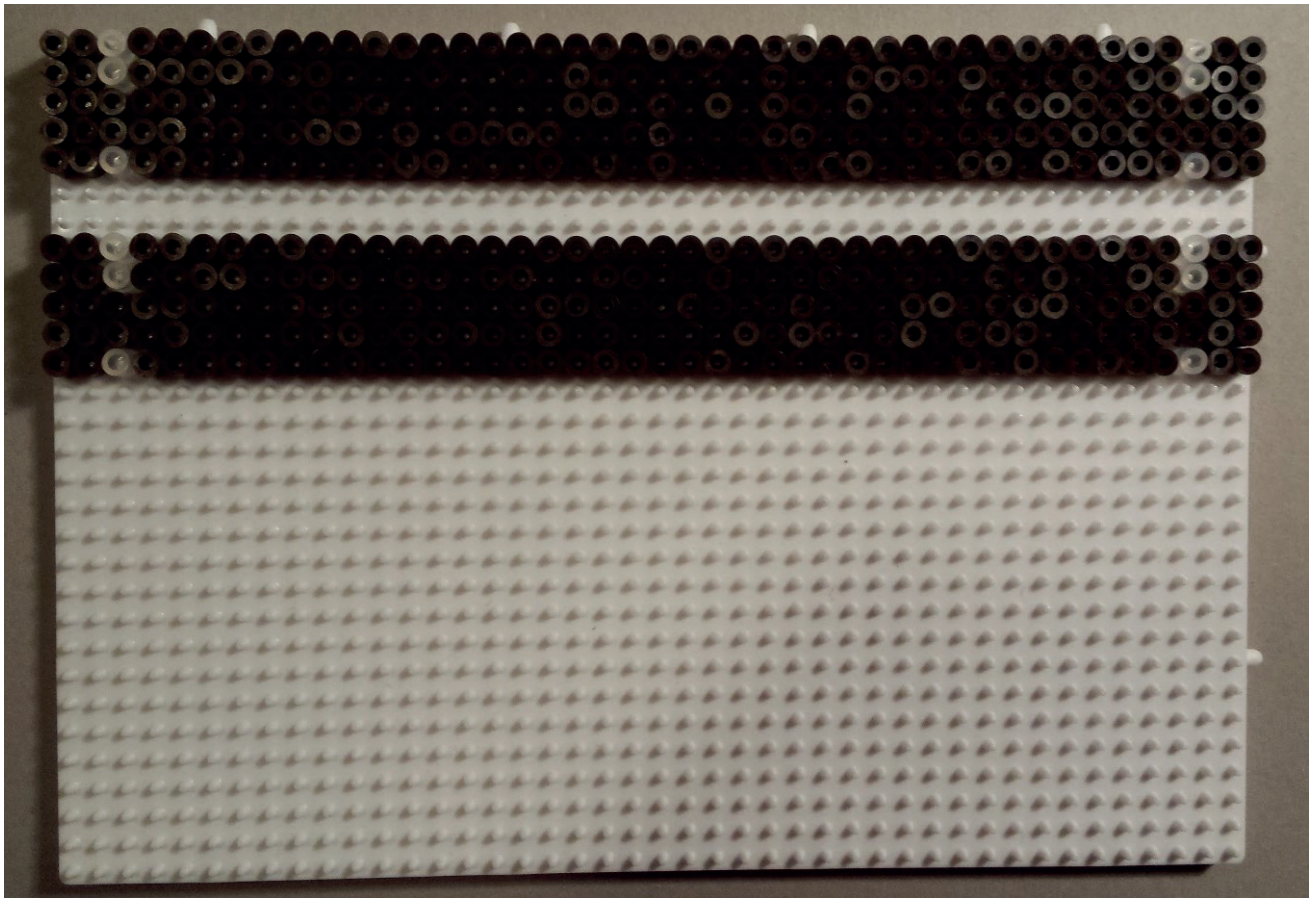

Lav en bagside.
Bemærk at der ikke skal være perler, hvor der er gennemsigtige perler.

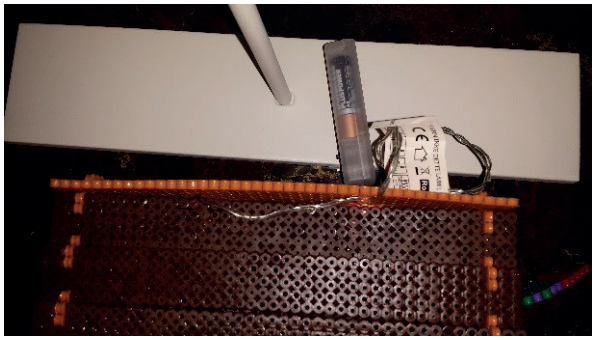

Lav 5 tagplader.
Bemærk, at der ikke skal være perler, hvor der er gennemsigtige perler.

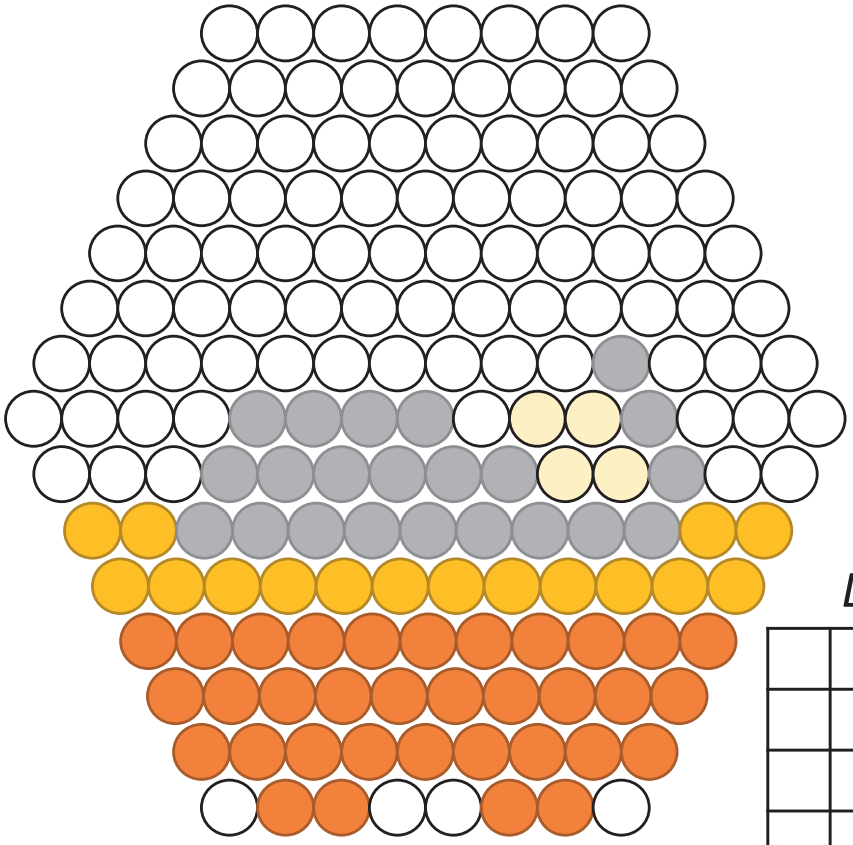

Sæt en lille indendørs lyskæde fast bag ved stalden.
